

Opening the app

- On opening the app for the first time, the user is asked for their login credentials.
- Enter email address and password provided in textbox.
- Click on '**Log in**' button.

The image shows the login interface of the Integrated Municipal Information System (IMIS). At the top, the acronym 'IMIS' is displayed in a large, blue, serif font, with the full name 'INTEGRATED MUNICIPAL INFORMATION SYSTEM' in a smaller, grey, sans-serif font directly below it. The login form consists of two white text input fields with thin grey borders. The first field is labeled 'Email Address' in grey text. The second field is labeled 'Password' in grey text and includes a small grey eye icon on its right side to toggle password visibility. Below these fields is a checkbox with the label 'Remember me' in grey text. A prominent dark blue button with rounded corners is positioned below the checkbox, featuring a white right-pointing arrow icon and the text 'Log In' in white. At the bottom center of the screen, the version number '1.0.0' is displayed in a small, grey, sans-serif font.

Figure 2-1 Login

Overview:

- This login credential is created and provided by the Municipality Admin to the Engineering and Building Permit Department.
- The app retains the login information until the user's session becomes inactive or expires.
- It is to be noted that GPS needs to be turned on while using the mobile application. When the user is using the app for the first time, the user must provide location permission to

the app.

- Once successful login, the user is redirected to the Dashboard screen.
